

BRIDGESTONE TECHNICAL BULLETIN

February 1995

Ref. No. TB-95-002

Use of EQUAL[®] in Bridgestone or Firestone Tires

It is not the policy of Bridgestone/Firestone to endorse or prohibit the use of aftermarket tire products. The use of "EQUAL" in Bridgestone or Firestone brand tires will not void the warranty

unless the inspection of the tire reveals an anomaly related to the use of the additive (EQUAL).

EQUAL[®] is a registered trademark of International Marketing, Inc.
