North Central Territory Manager

Description

IMI is seeking a Territory Manager to establish and manage extraordinary relationships at our top commercial tire dealers in the North Central US region (WI, MI, IL, MN, IA, ND, SD, NE) to increase profitability and drive sales. The successful Territory Manager is a charismatic, results-oriented road warrior who has the ability to effectively connect with others to orchestrate activities between Distributors, Dealers, and Fleets and negotiate deals in the shop or in the board room. A true professional who seeks to understand customer needs and offer value-added solutions, while demonstrating the honesty and integrity of [IMI's core values](#).

Responsibilities

- Consistently deliver strong sales results to meet and exceed company revenue plans.
- Assess and build relationships and strategies with existing Key Accounts.
- Develop sales and prospecting plans to create fleet demand to enhance existing relationships and increase sales.
- Make sales calls to develop new business.
- Conduct high-level business conversations with decision-makers to review ROI opportunities.
- Provide product training to include PowerPoint presentations and webinars.

Job Benefits

- Competitive pay with salary, commission & profit-sharing components
- Affordable and robust medical, dental and vision insurance upon hire
- 401K with strong company match
- Profit sharing bonus program
- Paid Time Off and paid holidays
- Health club membership
- Company laptop, office supplies, and accessories provided
- Mobile phone stipend
- Corporate credit card for business expenses
- Paid TSA Pre-check for expedited travel screening
- Tuition reimbursement program
- Short-term & Long-term disability coverage
- Life insurance

Experience

- B2B sales skills and experience with a recent track record of successful results in selling a specific product or service and the ability to follow a structured sales process using strong questioning skills. Experience dealing with multiple locations is required; national account management experience is preferred.
- Strong communication and interpersonal skills with demonstrated success in prospecting, building, and nurturing strong relationships with various
